Who Are We?

Since its creation, ACCESS TRANSIT has assembled a highly skilled and experienced management team with a deep understanding of customs procedures and regulations related to international trade. This has enabled us to establish ourselves as a leading player in our field.

Our commitment to efficiency and transparency enhances the competitiveness of our clients in an increasingly competitive environment.

Our ISO 9001 version 2015 certification from TUV Rheinland Germany, serves as proof of our dedication to providing high-quality services.

ACCESS TRANSIT

Our Services

We provide personalized services to our clients, managing each operation in compliance with regulations and industry standards. Our services include:

- ✓ **Import customs clearance**
- ✓ **Export customs clearance**
- ✓ **International trade consulting**
- ✓ **Drafting of international contracts**
- ✓ **International commerce consulting**
- ✓ **Supplier selection**
- ✓ **Cost simulations**
- ✓ **Supply chain management consulting**
- ✓ **Investment advice and support for large-scale investments**

ACCESS TRANSIT

Our company also offers a wide range of international and domestic transportation services to meet all your needs. Through its network of agents and carefully selected national and international partners spanning all continents, we are able to provide comprehensive transportation solutions.

Land transportation

We guarantee regular land transportation service between Morocco and Europe.

Sea transportation

We offer comprehensive sea transportation services from a wide range of ports globally.

Air transportation

Our air freight team provides a tailored service at all European and international airports.

Our Competencies

ACCESS TRANSIT draws its strength from the expertise and coordination of its subsidiaries. Perfect mastery of procedures and a high degree of synergy between subsidiaries allows the group to offer high-quality services at competitive costs.
